

# Next Steps

- Where to go from here
- Building on the capstone

# Productionizing

- Secrets management (Vault/KMS)
- CI checks (lint/tests)
- Packaging and versioning

# Broader Topics

- OSPF/BGP automation (stretch)
- Telemetry/streaming
- Inventory sources of truth

# Learning Resources

- Official docs links (README Section F)
- Community & vendor examples

# Thank You

- Feedback survey
- Office hours follow-up
